Dear Sir:

This is to confirm our discussions of the agreement dated September 28, 1990, amending Section 11 of the Agreement of September 17, 1976, establishing the Thirteenth Seniority District.

During our discussions of this Agreement, it was agreed that Seventh District crews, who are used in short turn around service out of Green River, will be deadheaded to Rawlins upon completion of the short turn around service. If such crews are not dead-headed, they will be placed on the board in line with applicable agreements and paid a 100-mile penalty.

If the foregoing correctly sets forth the understanding reached in conference, please affix your signature in the space provided below.

Yours truly,

A handwritten signature in blue ink that reads "M. L. Janovec".
